

PERSONAL DATA PROTECTION STATEMENT

We, Moravia Systems a.s., take the protection of personal data very seriously and declare that in accordance with Regulation (EU) No 2016/679 of the European Parliament and of the Council of 27 April 2016 (hereinafter the "Regulation") we process personal data in a legal way only, with a link to purpose and for as long as necessary, including their protection against unauthorized or unlawful processing.

Personal data is your personal data transmitted in the course of a contractual negotiation or handed over at looking for a job.

Under the above-mentioned "Regulation" we have the right to:

- ask us for information what your personal data is being processed
- request an explanation from us regarding the processing of your personal data
- ask us to delete your personal data (but the deletion may result in termination of the contract)
- contact us or the Office for Personal Data Protection in case of doubts about compliance with your personal data processing obligations.
- request access to your personal data with us and have them updated or edited

Personal data of third party, means personal data of employees, customers, business partners and other persons involved in cooperation with Moravia Systems a.s. and other data we receive in connection with the conclusion or performance of the contract, will be processed in accordance with applicable data protection laws.

This statement is valid from 25.5. 2018.
